Join the ResCare HomeCare San Diego Team!!!

Seeking “Life Skills Coaches” for exciting new program!

ResCare HomeCare, San Diego Branch, a division of ResCare, Inc., is the nation’s largest non-franchised provider of non-medical in-home care services. We routinely hire compassionate, reliable and experienced Direct Care Professionals to provide care to seniors and the disabled throughout San Diego County. We offer care in private homes as well as residential living communities.

We are proud to announce a new initiative working with Wounded Warriors to regain their independence. This is a community-based part-time position working with warriors who have brain injuries, PTSD, neurological disabilities and other cognitive or physical challenges. The goal is to ensure that warriors are offered opportunities for increased participation in community activities, increased social capital, improved quality of life and development of meaningful and purposeful activities.

The Life Skills Coach will report directly to the ResCare HomeCare Branch Manager in coordination with the Independence Program Case Manager through Neuro Community Care (NCC)

Responsibilities:
ResCare Life Skills Coaches will provide a full range of personal support services, assisting with opportunities to assist the warrior in improving his or her physical, social, recreational, cognitive, emotional functioning in the home and community. Examples are as follows but are not to be regarded as all-inclusive and may be subject to change.

*Provides positive support and acts as an advocate for the warrior

*Assists with participation in recreational and community activities in order to promote socialization and establish relationships with peers

*Assists warrior with improving community living and integration skills in a variety of settings such as shopping, church attendance, sporting events

*Provides training or assistance with mobility in home environment, using adaptive aids and accessing public transportation.

*Provides assistance with developing effective and appropriate communication and social skills.

*Drives client on errands and to appts- grocery shopping, social events

*Based on the goals of the care plan, provides warriors functional supports to acquire, retain and improve independence and offer respite to family
Qualifications:
* Bachelor’s Degree in related field and experience listed below OR Associates Degree with minimum 1 year experience in related field and experience listed below OR High School Diploma/equivalency with 3 years experience in related field and experience listed below
* Demonstrates knowledge of brain injuries, accessibility to community resources and experience with appropriate training skills, assessment and evaluation skills.
* Certified Brain Injury Specialist (CBIS) preferred
* Must be able to read, write and speak English at an Adult level and be an independent and forward thinker
* Current TB test
* Valid Driver’s License and automobile insurance- good driving record and reliable transportation.
* Must pass criminal background checks, motor vehicle checks and a sex offender registry check.
