- Must be able to determine expected outcomes and to develop and prioritize appropriate therapy intervention.
- Must be willing to embrace and exhibit the organizations Core Values of Caring, Creativity, Quality, Integrity, and Team Work.
University of California, San Diego (UCSD) Health System is the only university-based medical facility in San Diego, providing leading-edge care in patient care, biomedical research, education, and community service. We have two university hospitals, a National Cancer Institute-designated Comprehensive Cancer Center, Shiley Eye Center, the Sulpizio Family Cardiovascular Center, and several outpatient clinics. UCSD Medical Center, Hillcrest is also a designated Level I Trauma Center and has the only Burn Center in the county. U.S. News and World Report’s 2010-2011 annual "America’s Best Hospitals" report ranks UC San Diego Health System among the best in the nation in five specialty areas: Diabetes & Endocrinology, Geriatrics, Orthopedics, Psychiatry, and Pulmonary. We invite you to join our dynamic team!

Applications/Resumes are accepted for current job openings only. For full consideration on any job, applications must be received prior to the initial closing date. If a job has an extended deadline, applications/resumes will be considered during the extension period; however, a job may be filled before the extended date is reached.

UC San Diego Health System is an Equal Opportunity / Staff Affirmative Action Employer that values a diverse workforce.
