NEW APPROVED TRANSFER DEGREE

Associate Degree for TransferSM

Associate in Arts in Philosophy for Transfer (A.A.-T)

The Associate in Arts in Philosophy for Transfer (A.A.-T) degree is designed to facilitate transfer to a California State University in keeping with SB1440. A total of 18 units are required to fulfill the major portion of this degree. This degree reflects the Transfer Model Curriculum (TMC) supported by the statewide Academic Senate. Students must also complete the California State University (CSU) General Education Breadth requirements or the Intersegmental General Education Transfer Curriculum (IGETC) for CSU requirements (see the “General Education Requirements and Transfer Information” section of the catalog). A student may apply for this degree in conjunction with an Associate in Arts in Philosophy degree provided the courses taken meet the requirements of both degrees. Students should speak with a Counselor to verify that the requirements for either or both degrees have been met. In addition, students planning to transfer to SDSU should consult with a counselor.

The following requirements must be met to be awarded an Associate in Arts in Philosophy for Transfer (A.A.-T) degree:

- (1) Completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
 - (A) The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education- Breadth Requirement.
 - (B) A minimum of 18 semester units or 27 quarter units in a major or area of emphasis, as determined by the community college district.
- (2) Obtainment of a minimum grade point average of 2.0. Students are also required to earn a “C” grade or higher in all courses required for the major or area of emphasis. A “Pass” grade is not an acceptable grade for courses in the major.

The Philosophy degree provides a solid background for students wishing to continue their studies at a four-year institution. The discipline focuses on understanding the history of philosophic inquiry and the development of philosophic theory, as well as developing reasoning skills.

The Program-level Student Learning Outcomes (PSLOS) for Grossmont College’s Philosophy Department are outcomes that students will achieve after completing specific degree/certificate requirements in this program.

Students will:

1. Engage with a body of philosophic literature by demonstrating in college-level writing and/or other evaluative processes including but not limited to critiques, comparison and contrast of theories and formulation of argumentation.
2. Identify basic concepts, branches and terminology of the discipline by demonstrating in college-level writing and/or other evaluative processes including but not limited to critiques, comparison and contrast of theories and formulation of argumentation.

Associate Degree Major Requirements

Note: All courses must be completed with a letter grade of “C” or higher.
