## Protect your Password

**Important Reminder:** Per AP 3720 at <https://www.gcccd.edu/resources/docs/governing-board/procedures/ch3/ap-3720.pdf>, it is your responsibility to never share your network login and password with anyone. District IT will never ask you for your password.

## Traveling Outside the U.S. or Mexico?

At the Grossmont-Cuyamaca Community College District, we prioritize the security of our employee and student data. As part of our ongoing efforts, the Information Security department has implemented an out-of-country restriction (excluding Mexico) on access to your GCCCD account. If you plan to travel outside of the U.S. or Mexico and require access to your GCCCD email and account services, please follow the procedures found on the [District IT webpage](#).
