5	PRESIDENT'S REPORT- Dr. Pearl Lopez
5.1	Welcome Word Cloud Activity: Share one word to describe how you feel right now: popular words included excited, stressed, and anxious. Share what you're grateful for: popular words included family, and community. President's Cabinet: Q&A was held during meeting with President's Cabinet. Questions were asked in relation to impending budget cuts, low-enrolled course cancellations, increase in online courses, managing of wait lists, changes in printing schedule, swimming pool status, meditation room for students, and turnaround time for students to obtain a student identification number.
5.2	Academic Calendar (2026-2027)

	<i>P. Lopez</i> - Two topics of discussion were the 25-26 and the 26-27 academic calendar. The 25-26 calendar was approved by the governing board, but SDCCD changed their start date and did not inform GC. They have an agreement to communicate with each other. With a start date of a week later, GC is at risk of losing enrollment. The 26-27 calendar was also presented with a one-week late start, but there is still an opportunity to request alignment with SDCCD. Barbara Gallego and Danya Sanchez were present and fielded questions and concerns. More discussion at the March 3 meeting.
