**B.** Absent: M. Clavelle

**2. Approval of Minutes**

**A.** 2/18/2025

- Motion to approve was moved by Caylor Cuevas, seconded by Carl Fielden. No opposition.

**3. Action Items**

**A. Proposals for the April 2025 Board Packet:**

American Sign Language:

Course Modifications: ASL 120, 121, 130, 131, 220, 221

Art

Course Addition: ART 212

The department delivered a proposal presentation

- The department shared a copy of the representative text that will be used for Screen Printing

Business Office Technology:

Course Modification: BOT 086, 180

The department delivered a proposal presentation:

- BOT 086 is a bootcamp class only for OPT students. It is a pre-opt class, to make sure students are prepared to enter the OPT program. Making it zero units removes roadblocks to registration, both financial and overload in units. This is a required course offered during summer session.

Culinary Arts

~~Course Addition: CA 187~~

- Course proposal was removed from the agenda

Chemistry

Course Modification: CHEM 117

The department delivered a proposal presentation:

- This course was modified due to the deletion of CHEM 241. CHEM 231 became the equivalent prerequisite

Computer Information Systems:

Course Additions: CSIS 090, 091, 092, 093, 094, 095, 115, 122, 185, 225, 235, 252, 255, 266, 267, 275, 285, 295

The department delivered a proposal presentation:

- These new classes will be for the new AI program.
- There is a lot of interest in AI and financial support for AI certification efforts
- Content review, COR formatting, and textbooks need some additional revisions

**GROSSMONT COLLEGE**  
CURRICULUM COMMITTEE MEETING

Mathematics

Course Modification: MATH 060, 099NC, 171, 082

The department delivered a proposal presentation:

- Math 060 was modified due to adoption of CCN (STAT C1000)
- Math 099NC is a Calculus Instructional Support Lab (CISL). Students registered in this course are required to attend 3 hours per week. Concurrent enrollment in a transfer level math class is mandatory.
- Math 171 is a new course, Innovative Path to Calculus. By a slim majority the department voted to allow students to enter Math 180 without support upon successful completion of Math 171.
- Math 082 is a standalone support course for calculus 2

Media Communications

Course Modification: MCOM 117

The department delivered a proposal presentation:

- The lab was too long without pedagogical justification

Occupational Therapy Assistant

Course Modifications: OTA 100, 105, 111, 125, 135, 140, 141, 220, 221, 230, 241, 251

The department delivered a proposal presentation:

- Just a few edits are needed on the CORs

Physics

Course Modifications: PHYC 201, 202, 203

The department delivered a proposal presentation:

- Courses were modified for articulation purposes, particularly to align with UCSD.

Religious Studies

Course Modification: RELG 165

The department delivered a proposal presentation:

- Title was changed to achieve articulation after being denied with the former title.

Respiratory Therapy

Course Modifications: RESP 112, 268

The department delivered a proposal presentation:

- Resp 112 and 268 underwent a unit change to increase how many clinical practice hours students are required to complete
- Modified to be in compliance with accreditation standards
