Program Modification: Killer Robots COA, AA

- These were reviewed with clarifications on course substitutions and unit allocations.
- Add Phil 197 to a future agenda; edited COR for final approval
- Prepare and submit a drafted mark-up of the Killer Robots certificate program showing the intended substitutions/structure (correct course number) before Tuesday technical review and confirm unit requirements remain at 21.
- Clean up narrative for Queer Studies

V. Presentation by Jeanette Calo and Dawn Heuft on Universal Learning Design

- Presentation placed in folder (UDL Curriculum Presentation)- emphasizing the importance of designing learning environments that cater to all learners from the start.
- Finding the gold for all learners. How will we see this in the COR?
- Key points including using various engagement methods like videos, podcasts and interactive tools in Canvas.
- Practical applications were discussed such as providing multiple ways to access and demonstrate learning, incorporating real-world examples, group projects and offering choices on assignments.

VI. Chair Report

A. Chair Nominations: One nomination so far-Carl Fielden. Nominations done before Spring Break so that we can vote on at the next meeting (April 7).

B. Curriculum Institute: Requests for participation went out. Most will be able to attend but perhaps not by the modality that was requested (in-person vs. online).

C. Technical Review Items: Physical Science 123 was approved by Academic Senate and the Board but there was an impasse and pushback from CC. This will hopefully go to April.

D. Feasibility Task Group: It is a good time to review the policy and make updates. If you are interested in participating, let Dee know.

VII. Articulation Report

A. ADTs- Approvals and new TMCs- Math 2.0 and Physics 2.0 were approved; sent for accreditation approval. Will have a unit increase in child development before we submit that ADT.

B. SAAM Changes: UC and CSU decided that we do not need to submit SAAM only changes. They do not need to be resubmitted for articulation. Still have a lot to do in ES.

VIII. Information / Other Items

- The committee will continue reviewing remaining proposals as time allows.
- Items not discussed will roll over to the next meeting.

Next meeting will be April 7.

Adjourned: 3:15 PM
