**CHARGE**

The Open Education Resources and Zero Textbook Cost Committee (OERZTCC) reports to the Academic Senate. The OERZTCC provides a forum for OER and ZTC awareness, adoption, and support for faculty and students. The committee provides recommendations, guidelines, and standards (including accessibility) for the integration and sustainability of OER, ZTC, and low textbook cost (LTC) materials. The committee ensures that ZTC/LTC is clearly indicated in the class schedule for students. Ultimately, the OERZTCC works to eliminate barriers to education, increase equity, and improve student outcomes.
