

**Technology Committee****October 27, 2025****11:00 a.m. – 12:30 p.m.****HYBRID**
**College Conference Room (10-106)-PREFERRED
or**

<https://gccc.edu.zoom.us/j/82775621081>

Please note: We strongly prefer that members attend face-to-face, but we do offer a remote option for those who are not able to be present for any particular meeting.

Purpose: The Technology Committee identifies, prioritizes and advocates for the College's technology needs and services. It makes recommendations to the College Council for the strategic direction and implementation of technology priorities. These recommendations address technology policies and procedures, prioritization of technology requests from annual unit plans*, infrastructure requirements for existing programs, and projected needs of the college for the future. The committee will ensure that its recommendations are consistent with the objectives established in the Technology Plan, Strategic Plan, Educational Master Plan and other supporting plans (Human Resources, Facilities, etc.). In addition, the Technology Committee maintains currency in relation to technology changes and information from industry, the District and the State Chancellor's Office.

Technology Committee
