Introduction and Instructions:
Annual unit planning forms a bridge between the goals and recommendations documented in Comprehensive Program Review and the college’s annual resource prioritization and allocation process. This process helps departments (and the college as a whole):

- make better decisions based on data and documented needs
- link resources to program goals and activities
- create institutional memory and evidence of continuous improvement.

Please note that if your department submits requests for resources, your Annual Unit Plan (AUP) will be used by the prioritization committee(s) to help provide context and rationale for the request. To complete the AUP, answer the questions below, thoughtfully and succinctly, with consideration for how your department supports fulfillment of the Grossmont College mission statement:

Grossmont College provides an exemplary higher education learning environment through comprehensive and innovative instructional programs and student support services.

By advancing equity and inclusion, we prepare our diverse student population to lead and engage with local and global communities.

We fulfill our mission by providing the people of East San Diego County with:

- Associate/transfer degrees and certificate programs
- Career education and workforce development
