First Year Experience

Congrats from the FYE staff!

"You did it! You have completed your first year of college. What an accomplishment. Remind yourself of the amazing strides you have achieved and continue to navigate your journey with your sense of purpose in mind"
-Diana Ramirez, FYE Counselor

Congratulations on completing your first year of college! We applaud your perseverance and determination. Reflect on the lessons learned and don't forget to celebrate YOU and this success!
-Carissa Cardenas, FYE Counselor

"Congratulations graduates. I am so proud of you for achieving the first of many goals you have set for yourself. As you move to the next destination, remember to do well and spread goodness to people you encounter." -Courtney Willis, Assoc. Dean Student Services

Congratulations! You completed your first year of college! We are so proud of you and you should be too!

You did it!

Completing your first year of college is quite the feat! We are so proud that you have come this far and we know you will continue on to great things. Though you will no longer be in FYE, please know we are here for you if you ever need anything. Congrats!
-Abby, FYE Program Coordinator

Mentee of the Month

Takhmina Bazarkhanova

Taya is a kind and wonderful person. She takes her education very seriously, has kept on top of her studies, and makes time for herself. We are astounded by her determination.

Beyond Your First Year

If you missed the "Beyond Your First Year" workshop, or if you want to refer back to the presentation, you may do so by clicking [HERE](#).

In this workshop, Carissa & Diana reviewed the various support services available on campus (and virtually). Since you will no longer be in FYE as your first year has come to an end, these services will be very important in your success.
