Grossmont College Anthropology AA-T
Preparation for the Major
Anthropology - B.A. DEGREE

To receive _admission preference_ to CSU's students can complete the AA-T in Anthropology. It is also important that students incorporate as much of the lower division course work found on the www.ASSIST.org articulation agreement as possible. In addition to degree requirements, students must complete CSU GE Certification or IGETC. It is important to meet with a Counselor for additional assistance.

* Students completing IGETC may be awarded the degree, but they must complete a course from Area 1C: Oral Communication to meet CSU admission requirements.

All courses in the major must be **completed with a grade of "C" or higher or "Pass"**. Letter grades in the major are highly recommended, but a "P" (Pass) grade is acceptable for courses in the major of an _Associate Degree for Transfer_.

SDSU accepts the AA-T degree in Anthropology and **requires letter grades for major preparation courses**. _This major includes a language requirement to graduate from SDSU. Check with a Counselor for applicability to other CSU's. The Anthropology AA-T requires a minimum 2.0 Cumulative G.P.A._

For additional information specific to SDSU see the following SDSU web site:
http://arweb.sdsu.edu/es/admissions/transfers/associate-transfer.html

Students applying with the AA-T in Anthropology will receive priority in the admissions process but <u>are not guaranteed</u> admittance into the CSU of their choice.

Admission is highly competitive for most CSU's. Students are strongly advised to go above and beyond minimum G.P.A requirements <u>and</u> apply for admission at multiple campuses.

Every effort has been made to ensure this information is accurate. However, the official documents are the current Grossmont College Catalog and San Diego State Catalog.
