

**Grossmont College Psychology AA-T  
Preparation for the Major  
Psychology - B.A. DEGREE**

To receive admission preference to CSU's students can complete the AA-T in Psychology. It is also important that students incorporate as much of the lower division course work found on the [www.ASSIST.org](http://www.ASSIST.org) articulation agreement as possible. In addition to degree requirements, students must complete CSU GE Certification or IGETC-CSU. It is important to meet with a Counselor for additional assistance.

\* Students completing IGETC may be awarded the degree, but they must complete a course from Area 1C: Oral Communication to meet CSU admission requirements.

All courses in the major must be **completed with a grade of "C" or higher or "Pass"**. Letter grades in the major are highly recommended, but a "P" (Pass) grade is acceptable for courses in the major of an *Associate Degree for Transfer*.

*SDSU accepts AA-T degrees in Psychology for the BA in Applied Arts Emphasis only **and requires letter grades for major preparation courses.** This specific BA degree will not have an SDSU language requirement. Check with a Counselor for applicability to other CSU's. The Psychology AA-T requires a minimum 2.5 Cumulative G.P.A.*

**Students applying with the AA-T in Psychology will receive priority in the admissions process but are not guaranteed admittance into the CSU of their choice.**

**Admission is highly competitive for most CSU's. Students are strongly advised to go above and beyond minimum G.P.A requirements and apply for admission at multiple campuses.**
