STUDIO ART FOR TRANSFER (AA-T)

In support of the established SB 1440, the Student Transfer Achievement Reform (STAR) Act, and the college's mission, vision and values, Grossmont College has created the **Associate in Arts in Studio Art for Transfer** degree. Students earning this Associate Degree for Transfer (ADT) will have fulfilled the lower-division major preparation requirements for a degree considered similar at a participating California State University (CSU) campus.

The AA-T degree in Studio Art offers an engaged approach towards artistic practice and critical discourse through a variety and breadth of studio arts and art history courses, including two- and three-dimensional design, ceramics, digital art, drawing and painting, photography, and sculpture.

The Studio Art for Transfer degree is designed to provide academic knowledge and practical training in all aspects of studio art at the entry level in a flexible format.
